NHS Contract Lifecycle Management

Cutting whole-life costs. Driving supplier performance. Delivering savings.

Who are we?
Liaison Financial and Lifecycle can be invaluable. By actively managing every aspect of your contracts, you can be confident that you are getting the best value for your money.

- **Contract management processes improved**
- **Costs remain predictable**
- **Supplier performance is policed**
- **Performance issues highlighted**
- **Build the service you want to go. However, we can use the lessons learned from the initial audit findings to inform the tender specification for the next one. Or if a review isn't warranted, we can simply avoid unnecessary expenditure.**
